## Interstate 10 Construction

March 5, 2009

### Interstate 10 Construction Update

#### Litchfield and Dysart Road Ramp Closures Continue

##### ***Upcoming Restrictions***

This week, construction progress continues with scheduled restrictions as part of the Interstate 10 Improvement Project. The current closure at 107th Avenue underneath I-10 continues through late March while the westbound I-10 bridge is rebuilt.

The eastbound I-10 Litchfield Road on-ramp and the eastbound I-10 Dysart Road off-ramp closures are scheduled to reopen in early April. The closures of the westbound Litchfield Road off-ramp and the Dysart Road on-ramp at I-10 will continue through approximately mid- to late April. During the ramp closures, Litchfield and Dysart roads will remain open underneath I-10 and business access will be maintained.

The I-10 Improvement Project will soon reach a major milestone as construction of the new median lanes between Sarival Avenue and Loop 101 (Aqua Fria Freeway) nears completion. During the next several months, traffic between Estrella/Pebble Creek Parkway and Dysart Road will be moved to the new median lanes as crews begin reconstruction of the existing I-10 lanes, which will require on- and off-ramp closures at times. Drivers are encouraged to use adjacent ramps. Crossroads underneath I-10 and business access will remain open during construction.

##### ***Project Information***

The I-10 Improvement Project will provide additional lanes between Verrado Way and Loop 101 (Agua Fria Freeway). The freeway expansion includes widening the existing median and adding outside lanes to improve east/west traffic flow in the West Valley.

This project is one of the first elements of the *Regional Transportation Plan* and is funded through a voter-approved sales tax to improve and construct new transportation options in Maricopa County through 2025. More information on the *Regional Transportation Plan* is available at [www.ValleyFreeways.com](http://www.ValleyFreeways.com).

ADOT strives to inform the public about planned freeway restrictions. As with any complex construction project, there is a possibility that severe weather or other unforeseen difficulties may result in unscheduled closures or restrictions.

Here is an overview of the scheduled restrictions on I-10 in the West Valley:

##### **107th Avenue**

Monday, Jan. 12 – Monday, March 30

1 a.m. – 9 a.m.

107th Avenue underneath I-10 is closed for bridge work and is scheduled to reopen on Monday, March 30 at 9 a.m. On- and off-ramps and business access will remain open. Motorists are encouraged to use adjacent I-10 interchanges.

### **Westbound 99th Avenue On-Ramp**

Monday, Jan. 12 - Friday, May 15

1 a.m. – 4 p.m.

The westbound I-10 on-ramp at 99th Avenue is closed for bridge work and is scheduled to reopen on Friday, May 15 at 4 p.m. Business access will remain open. Motorists are encouraged to use adjacent I-10 interchanges.

### **Eastbound Litchfield Road On-Ramp**

Friday, Feb. 6 – Tuesday, April 7

11:30 p.m. – 9:30 a.m.

The I-10 eastbound Litchfield Road on-ramp is closed for lane reconstruction and is scheduled to reopen on Tuesday, April 7 at 9:30 a.m. Business access will remain open. Motorists are encouraged to use adjacent I-10 on-ramps.

### **Eastbound Dysart Road Off-Ramp**

Friday, Feb. 6 – Tuesday, April 7

11:30 p.m. – 9:30 a.m.

The I-10 eastbound Dysart Road off-ramp is closed for lane reconstruction and is scheduled to reopen on Tuesday, April 7 at 9:30 a.m. Business access will remain open. Motorists are encouraged to use adjacent I-10 off-ramps.

### **Westbound Litchfield Road Off-Ramp**

Friday, Feb. 27 – Wednesday, April 15

11:30 p.m. – 9:30 a.m.

The I-10 westbound Litchfield Road off-ramp is closed for lane reconstruction and is scheduled to reopen on Wednesday, April 15 at 9:30 a.m. Business access will remain open. Motorists are encouraged to use adjacent I-10 on-ramps.

### **Westbound Dysart Road On-Ramp**

Friday, Feb. 27 – Tuesday, April 28

11:30 p.m. – 9:30 a.m.

The I-10 westbound Dysart Road on-ramp is closed for lane reconstruction and is scheduled to reopen on Tuesday, April 28 at 9:30 a.m. Business access will remain open. Motorists are encouraged to use adjacent I-10 off-ramps.
